THE CRUCIAL ROLE OF SUPPLY CHAIN ASSURANCE IN SUCCESSFUL DELIVERY OF MEGAPROJECTS

Our global supply chains have become interconnected, which poses many risks to our operations. Health and safety incidents, illegal activities, and worldwide pandemics can devastate our livelihoods and financial resources.

Managing these variables is becoming increasingly complex in 2023, and the stakes are growing globally. As ongoing legislation from various countries complicates supply chain integrity, compliance with health and safety standards remains imperative.

Globally, materials suppliers are under increased scrutiny and expected to provide more transparency. It is clear that ignoring supply chain activities is no longer an option as we look ahead.

Globally, effective compliance management processes and complete supply chain visibility are advantageous but essential

15:00 - 15:30

DEVELOPMENT OF A PILOT SITE FOR REMEDIATION OF MATERIALS CONTAINING ASBESTOS IN NONCONVENTIONAL STRUCTURES: THE CASE OF FERTILIZER WAREHOUSES

- Construction contracts should include provisions that facilitate dispute avoidance and claims handling, to prevent disputes escalating through formal dispute resolution procedures, and effective procedures aimed at encouraging early amicable solutions, lower costs and fewer delays to the project overall.

- Project managers and contract administrators are given the opportunity to contribute at the drafting stage of a construction contract.

If this opportunity does not arise in the contractual negotiations, it is vital that project managers and contract administrators at least understand their rights and obligations under the contract so that they can exercise those rights and entitlements and do not purport to give instructions, waive requirements or otherwise make agreements that are inconsistent with the express contractual terms.

- Will explore about contract management tools within construction contracts:
early warning provisions;
rights of access to information;
audit rights;
conditions precedent to claims;
careful record-keeping;
clear lines of communication and authority;
clear change control procedures;
dispute resolution and avoidance provisions
(the main focus)

Terms and Conditions:

By submitting this signed booking form, I agree that the following terms and conditions have been read thoroughly and the content is well understood.

Payment Conditions:

Payment should be made in full immediately after submitting the signed booking form. Payment should always be made in Euros unless indicated otherwise. STMI Forum accepts all kinds of credits cards. Although the preferred means of payment is credit card, in a few cases the bank transfer option may be allowed ONLY on condition that the payment is made within 10 working days upon receiving the proforma invoice. The fee of the event includes the possibility to download speakers' presentations, access to the conference hall & materials, refreshments, lunches and snacks. Each delegate will be responsible for their own hotel accommodation and travel expenses, however STMI Forum will negotiate and offer the best possible hotel rates for its delegates in the same 4-star or 5-star hotel in which the event will take place.

Substitution Policy:

Substitution of delegate(s) is possible at any time without any extra fees. Nevertheless, STMI FORUM would need at least 3 days prior to the event to make arrangements for the substitute(s).

Cancellation Policy:

Incase a delegate would like to cancel their participation for some unexpected eventualities, such requests must be submitted in written and sent by post 4 weeks prior to the event in order to obtain a full credit note for any future event organised by STMI Forum. The fees charged are strictly non-refundable. If STMI Forum would decide to cancel an on-going event, the delegate would receive a 100% refund of their payment. Non-attendance, otherwise referred as a "no show" does not signify cancellation. STMI Forum will not be held responsible for events cancelled for reasons beyond its control such as natural disasters, accidents, sabotage, trade or industrial disputes, outbreak of disease, hostilities, terrorism, etc. However, a full credit note would be given in each of these cases.

Data Protection:

STMI Forum agrees to keep clients' information confidential in its database. The client gives STMI Forum the authority to keep their information in its database and use the information in any way necessary in connection with the event, otherwise consent should be sought. Client information will be removed immediately after receiving a written request by post.

PLEASE NOTE:

All booking forms submitted without a signature are considered invalid. STMI Forum reserves the right to postpone the event to a later date or make changes to the location or confirmed speakers. If a client decides to cancel their participation for these reasons the client will receive a full credit note which covers the amount paid to attend any future event organised by STMI Forum. The hotel information may not be provided at the time of booking but should be ready at least one month prior to the event. In such case, please bear with us.

Copyright:

The information included in this agenda is strictly meant for the company or person who directly received this agenda from STMI Forum. Under NO circumstance should this agenda be published on the internet or be made available to the general public without the prior consent of STMI Forum. All intellectual property rights in all materials produced and distributed by STMI Forum in connection with this event are expressly reserved and any unauthorised duplication, publication or distribution is strictly forbidden.

AUTHORISATION AND ACCEPTANCE OF TERMS & CONDITIONS:
